

PUBLIC NOTICE
OF THE PREPARATION OF AN ENVIRONMENTAL ASSESSMENT
FOR THE POTABLE WATER DISTRIBUTION SYSTEM IMPROVEMENTS (P-079)
AT MARINE CORPS BASE CAMP PENDLETON, SAN DIEGO COUNTY,
CALIFORNIA

In accordance with the National Environmental Policy Act (NEPA) of 1969, 42 United States Code (USC) §§ 4321-4370h, as implemented by the Council on Environmental Quality (CEQ) regulations, 40 Code of Federal Regulations (CFR) Parts 1500-1508, and Marine Corps Order (MCO) P5090.2A, Change 2, Chapter 12, dated 21 May 2009, Environmental Compliance and Protection Manual, an Environmental Assessment (EA) for the above named project is being prepared that identifies and evaluates the environmental effects of the proposed action.

Under the proposed action, the existing potable water distribution pipeline from the 24 Area to the 20 and 21 Areas would be replaced with new potable water distribution pipeline of a diameter to be determined during project design. Three existing BPSs would be replaced and upgraded. In addition, the existing Elevated Water Tank 20815 would be demolished and replaced with a tank to be determined during the project design.

Further information about the proposed action or the NEPA process is available by contacting the USMC Point-of-Contact listed below.
